The screenshot shows the JIRA Team Scrum Board for 'Sprint 3'. The board is divided into four columns: 'To Do', 'In Progress', 'In Review', and 'Done'. Each column contains a list of issues represented by cards. Each card includes an issue key (e.g., TIS-28), a status icon, a title, a description, and an assignee's avatar. Some cards also show a priority level (e.g., 5, 8, 2, 3).
