JIRA INTEGRATION

Before Confluence

With Confluence

Work in one  
place

Capture the knowledge that's too often lost in email inboxes and shared network drives in Confluence instead – where it's easy to find, use, and update.

**2013-03-21 - SeeSpaceEZ Meeting Notes**  
 2 Added by Jerry, last edited by Ryan Lee on Aug 20, 2013 (view change)

**Date**  
 21 March 2013

**Attendees**

- @Harvey Jennings
- @Ryan Lee
- @Alana Grant

**Goals**

- Review venue options and presentation deck for [Spring SeeSpaceEZ Roadtrip 2013](#)

**Discussion Items**

Time	Item	Who	Notes
10 mins	Review Roadtrip Venue Options		
20 mins	Review presentation deck		

**Presentation Deck**

Make  
meetings  
count

Distribute a clear agenda before, take notes during, and assign tasks afterward. With all your notes and action items in one place, you can give email a break.

User suggestions

Max Taylor

## Define product requirements

Great products require equally great planning. Document, discuss, and track product requirements so your developers can hit the ground running.

## Knowledge base

## Create a Knowledge Base

Space name\*

Service in Space

Space key\*

SIP

?

Description

Share knowledge to help Teams in Space  
employees find the solutions to con  
problems.

### About Knowledge Bases

Share knowledge and best practices internally with your team or organisation. Use with your help desk solution to address common requests.
